

YOUR MONEY *Mistress*

So much more than
financial discipline.

As the Dominatrix with a Difference, with formal finance qualifications, Your Money Mistress has trained thousands of people in the skills required for a healthy Mind, Body and Wallet.

WITH HER TRAINING:

- Wealthy couples realised their lifestyles were sending them backwards
- Single mums have bought investment properties
- Workplaces have healthier staff who realise that more money doesn't fix 'the problem'.

WHIPPING WALLETS INTO SHAPE

Did you know that men generally focus on their relationships better if their work is in order? And that women focus on their work better once their relationship is in order?

Your Money Mistress offers tailored Corporate Training and individual coaching as well as Author talks and Pub & Club entertainment. She can even MC your event!

Helping
people have
a better
financial
future since
2004!

What does it cost NOT to know this information? For example did you know that it takes 24 years to pay off an \$8,000 credit card at 12%, if you only pay the minimum repayment? And that **at age 45 you only have 520 fortnightly pays** until age 65?

INTRODUCTION TO FINANCIAL FITNESS

- 1. ESCAPE FINANCIAL BONDAGE:** How to break the chains of debt, stress less and have more fun!
- 2. PMT IN THE WORKPLACE:** How positive mental thoughts improve workplace performance and culture
- 3. MEN, THEIR MONEY AND MORE LIFE TRUTHS:** Sometimes politically incorrect has the best effect.

“ Your Money Mistress addressed our gathering with humour as she explained how intimacy and personal financial health affects productivity in the workplace. Her entertaining, novel approach to these sensitive topics enabled the audience to relax and learn as her pearls of wisdom gave much food for thought. We look forward to having her back again. ”
